

342.4 GIFTED AND TALENTED EDUCATIONAL SERVICES

The School District of Wisconsin Rapids recognizes that all students are unique and valuable individuals, and all students possess gifts and talents. Some students, however, are gifted and talented to an extraordinary degree. Such students need specially planned educational services where pace, level of instruction, and support are matched with each student's unique capabilities and social and emotional needs. The School District of Wisconsin Rapids accepts the complex challenge of identifying and meeting such needs through implementation of a Gifted and Talented Educational Services plan aligned with the District Response to Intervention process. This plan will incorporate the key characteristics of effective Gifted and Talented plans as set forth by the Wisconsin Department of Public Instruction: systemic, collaborative, sustainable, responsive, fluid, appropriate, comprehensive, aligned, and measurable.

Reports on Gifted and Talented Educational Services will be provided to the Board of Education on a periodic basis.
