

### **342.6 ALTERNATIVE PROGRAMS**

The Board expects the schools to maintain a positive learning environment emphasizing and relying on the responsibilities of both staff and students in the pursuit and acceptance of their responsibilities. If a student possessing the ability to achieve at a satisfactory level does not do so because of his/her attitude, lack of effort, poor attendance or poor achievement, both the student and his/her school program may be reviewed by appropriate school personnel to determine possible courses of corrective action.

Findings from this review may result in a recommendation which may include:

1. Corrective adjustments in the student's current academic program
2. School work training, as appropriate
3. An alternative, out of school program or non-sectarian private school program located in the school district
4. Homebound instruction or studies
5. Enrollment in a public educational program.
6. A combination of the above

Students and their parents/guardians shall be informed annually of their right to request program or curriculum modifications as outlined above. When a student or parent requests a program or curriculum modification, the Administration will review the request and render a decision within time periods as specified by law. If a request is denied, the reason must be given.
