

### **351 SUMMER SCHOOL**

The Board shall provide opportunities for both enrichment and remedial instruction during the summer. At the secondary level, elective and/or required credit may be earned.

Except for emergencies, students are expected to attend all scheduled days and hours of instruction. Students may be excused for illness when appropriate documentation is provided by the parent or legal guardian. Students who fail to meet attendance requirements may be dropped from the class/program. Decisions related to student absence are at the discretion of the summer school principal or his/her designee.

Summer school fees shall be established by the Board.

Transportation will be provided at the discretion of the Board.

The summer school program will be reviewed annually. Classes will be added or dropped depending on the needs and interests of pupils residing in the District.
