

## **539.2 EXCHANGE TEACHING**

Teachers who have continuing contract status may, at the discretion of the Superintendent, be granted a leave of absence for one year for the purpose of exchange teaching, subject to provisions of the Employee Handbook and the following conditions:

1. Exchange will be limited to systems or countries approved by the Superintendent.
2. The Superintendent will establish the limit on the number of teachers exchanged annually.
3. Leave will be granted only if the cooperating school system furnishes a teacher to take the place of the one released by the Board. Teachers participating in the exchange program will draw their salary from the system in which they do their teaching.
4. Leaves of absence for exchange teaching will not exceed one year.
