

741 AUTHORIZED USE OF SCHOOL DISTRICT EQUIPMENT

School district equipment, supplies, and facilities have been purchased by tax dollars for the specific use of the educational program and whatever public and general use the Board of Education may authorize.

School equipment may be loaned out on a limited basis to outside parties within the school district for education purposes at the discretion of the building principal and in accordance with established procedures. Such use shall not cause interruption to the school program.

The responsible party shall thoroughly understand the operation of the equipment and shall be liable for any damage, which may occur during the loan of the equipment.

Employee Use of School Equipment

School district employees may not use school district equipment, supplies and facilities for personal reasons except by special permission of the superintendent or principal.
