

822.1 NEWS MEDIA COVERAGE OF BOARD MEETINGS

Representatives of all news media are urged to attend all Board meetings. Meeting announcements, agendas and summaries of Board meeting minutes shall be furnished to the news media that are within the school district, and in accordance with state law and established procedures.

Board members, the superintendent, administrators and others as may be necessary will be available for interview by representatives of the news media.

In its dealing with the news media, the school district will be frank and open, recognizing the privilege of the news media to publish newsworthy information.
