

## **841.1 PUBLIC INVOLVEMENT IN FACILITIES IMPROVEMENTS**

Parent, school, and community organizations, as well as individuals, are encouraged to assist the District in making permanent improvements to district property and facilities through financial contributions or contributions of time and labor. The following guidelines shall apply to those who wish to support and provide such permanent modification to district property:

1. Modifications shall be consistent with school district and community goals/needs, board policy, as well as local and state laws.
2. Request to make such improvements shall be communicated through the site administrator, Director of Building and Grounds, Director of Business Services, and Superintendent of Schools as necessary.
3. The Board reserves the right to approve in advance all improvements for permanent modification to district property.
4. Factors taken into consideration in giving approval shall include, but not be limited to, safety, appropriateness to age/grade level of students involved, appropriateness to subject areas, projected future expenses to the Board, location, and purpose.
5. All modifications made shall become the property and responsibility of the Board of Education and are subject to the same controls and regulations that govern the use of other school owned property.
