

850 PUBLIC SOLICITATIONS IN THE SCHOOLS

All advertising, solicitations by sales representatives, and requests for donations by the school district shall be allowed only upon approval by the superintendent. Approved annual donations include the:

Wisconsin Rapids School Safety Patrols, Inc.

Other requests for donations, which have educational value for school district students may be considered by the superintendent on an annual basis up to an aggregate total of \$300.00 or amounts as annually determined by the Board of Education.

Use of Students for School and Non-School Projects

The administration shall monitor the use of students for school and non-school projects including the distribution of non-school materials in the community, the solicitation of funds, and sales campaigns used to finance extra-curricular activities. In monitoring such activity, the administration shall balance the needs of the school district and the interests of the students.
