

881 SCHOOL-COMMUNITY ASSOCIATIONS

The Board looks upon school-community associations such as parent-teacher associations and other school groups as integral parts of the school community, which can aid substantially in promoting a finer educational program.

Among the many services that such associations can offer, the Board especially endorses any assistance that they can give in developing and maintaining a voluntary aide program in our schools.

The Board encourages active support of and cooperation with school-community associations by teachers and other employee associations.
